CLASS POLICIES

Pre-registration and payment are required to hold your seat in a class.

Discount coupons or any shop-wide discounts DO NOT apply to class fees.

For all knitting classes other than the beginner class, students must know how to cast on, knit, purl, and bind off before coming to class.

Except where noted in class descriptions asking for small amounts of practice yarn, students are expected to purchase any class materials at our shop. Students receive a 10% discount on purchases made for the class.

Minimum class size is three students. Maximum class size is six students unless otherwise noted. Minimum age of student: 12 years or permission of instructor. Classes with less than three pre-registered students will be cancelled 48 hours before the class at the discretion of the shop/instructor. Full refunds will be given for any classes cancelled by the shop or instructor.

Students who withdraw from a class more than 72 hours before the start of a class will receive full credit toward a future class. Students who cancel with less than 72 hours notice forfeit their class fee unless there are special circumstances.
